

ET Series

Cold Water
Pressure Washers

#1 in North America for
High-Pressure Cleaning Equipment

Electric / Hand-Held

The reliable **Hotsy Triplex pump** has a one-piece forged brass manifold head and carries a 7-year limited warranty....best in the industry!

Thermal pump protector prevents excessive heat or pressure buildup for safety

Pressure-trapping unloader safety feature diverts water flow when trigger gun is not in use

15° high pressure **Quick Connect Nozzle** conveniently mounts to unit

6 ft. **Electric Cord** with NEC approved ground fault circuit interrupter for operator protection

Spring-loaded **Trigger Gun** with two-piece, twist-lock, easy grip Spray Wand

Reliable industrial **Motor** with 1725 RPM, reset button, capacitor start and full-service factor for longer life

Remote wall switch with 10 foot electrical cord for convenience in turning the washer on in wash bay installations

25 ft. steel wire-braided **High Pressure hose** rated for up to 3000 PSI. With 24-inch Hose Guard and swivel fitting for tangle-free handling

Rubber pads absorb vibration for long-life and to keep the unit from moving or "walking" while in operation

Auto Start-Stop feature allows the operator to start and stop the washer by pulling or releasing the trigger gun; this also provides additional protection for the high-pressure pump

FEATURES

- 1.8 GPM / 1400 PSI
- 2.0 HP electric motor
- Compact, lightweight design
- Hotsy direct-drive with 7-yr pump warranty

Nothing Cleans Like a Hotsy!

Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with our specially-formulated Hotsy detergents. Nearly all 40 Hotsy detergent formulations contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved, and all are highly concentrated, so a little goes a long way.

Spend some time with a Hotsy Expert

Hotsy has more than 130 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs. Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

This seasoned network of local service professionals will ensure you get the safest, most effective and most efficient cleaning solution to your specific cleaning need.

Hotsy Accessories customize your application for top performance

Optional shelf for wall mount includes a wand holder (PN 8.903-613.0)

High-pressure turbo nozzles for faster cleaning

High-pressure hoses from 30 to 150-ft. lengths

Telescoping wands extend to 24' to reach high places without scaffolding
