

Belt Drive Gas-Engine Series

Hot-Water Pressure Washers

#1 in North America for
High-Pressure Cleaning Equipment

Oil Fired

Heater coil carries
a 5-year warranty

Trigger gun control with cool-grip
and variable pressure wand

Lifting eyes let power
equipment do the hoisting

**Heavy-duty roll-cage
chassis** protects internal
components

**Beckett DC Oil-fired
burner**

**50-ft wire-braided
high pressure
hose** with swivels
at both ends

**Hotsy-designed
triplex belt-drive
pump** carries a 7-year
warranty. Slower RPMs
provide less wear and
tear on the pump, and
enables the pump to
draw from water tanks.

Belt-drive pump -
slower RPMs than a
direct drive pump. Belt
drive systems operate
smoother, as the belts
act as a dampener for
vibrations and pressure
spikes.

Model 965B:
Oil Fired, 3.0 GPM @ 3000 PSI
(Show with optional casters and
wheel kit)

Hotsy Belt Drive Gas Engine models are versatile; convert the standard
trailer mount unit into a portable unit with 2 wheels / 2 casters (above), a
4 wheel kit with pneumatic tires or a skid unit for moving by forklift.

FEATURES

- 3 to 4.6 GPM @ 3000 to 3500 PSI
- Oil Fired Heaters / Belt Drive Pumps
- 12Volt DC Burners
- 9 - 13 HP Honda or 16 HP Vanguard Gas Engines

Nothing Cleans Like a Hotsy!

GAS ENGINE SERIES Hot-Water, Belt Drive Gasoline Engine Models

■ Oil Fired Heaters

■ 3 - 4.6 GPM @ 3000-3500 PSI

■ 9-13 HP Honda, 16 HP Vanguard Gas Engines

Designed for tough, industrial cleaning.

*Battery not required † Battery required, but not supplied E= Electric-start engine B= Belt Drive

Dimensions for all models 42"Lx27.5"Wx39"H (without wheel options)

Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with our specially-formulated Hotsy detergents. Nearly all 40 Hotsy detergent formulations contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.

Spend some time with a Hotsy Expert

Hotsy has more than 130 local Sales & Service Distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Rely on our network of seasoned service professionals for the safest, most effective and most efficient solution to your specific cleaning need.

hotsy *Nothing Cleans Like a Hotsy!*

Model 1075BE

3.8 GPM @ 3500 PSI;
13 HP Honda gas engine (shown with optional caster kit)

Model 1080BE

4.6 GPM @ 3500 PSI;
16 HP Vanguard gas engine (shown with optional stainless steel coil wrap and skid rails)

OPTIONS

- Pneumatic Tire Kit*
- 2 Wheel / 2 Caster Kit**
- Skid Rails†
- High Pressure Chemical Kit
- Trailer Mount brackets
- Float Tank
- Stainless Steel Coil Wrap
- Detergent Kit

*4 wheel kit with handle - adds 10" to width, 6" to height

**2 wheel / 2 Caster kit - adds 7.5" to height

†Skids - adds 3.875" to height

Hotsy Accessories customize your application for top performance

High-pressure turbo nozzles for faster cleaning

360° Pivot and non-pivot hose reels keep hose neatly stored and shop areas safe

Heavy-duty, high-pressure hoses in lengths up to 150-ft.

Rotary surface cleaner attaches to your pressure washer; reduces overspray and zebra striping

Telescoping wands extend to 24' to reach high places without scaffolding

NOTE: We are constantly improving and updating our products. Consequently, pictures, features & specifications in this brochure may differ slightly from current models. Flow rates & pressure ratings may vary due to variances allowed by manufacturers of our machine components. We attempt to keep our machine performance within ± 5% of listed specifications.
